

3K Behavior Clip Chart

The clip chart is a behavior tracking system for our classroom. It is a fluid system that allows students to be recognized for good behavior (clipping up) or serve a consequence for unacceptable behavior (clipping down). These levels are recorded everyday by the students so we (students, parents and teachers) are able to notice patterns in behavior.

	LEVEL	BEHAVIOR EXPECTATIONS
EXCELLENT BEHAVIOR	PINK	<ul style="list-style-type: none"> • Intrinsic participation • Exceeding school and classroom expectations • Unprompted positive behavior • "Above and Beyond" behaviors
	PURPLE
