

4K Supply List

Welcome back! Below is a suggested list of supplies that will be useful during this school year. You may already have some of these items, so check and see what you might still need. If there is anything you cannot get, please let me know and I will my best to provide them.

I have highlighted items that I like to collect and keep for a class supply, and then I will distribute them throughout the year, as we need them.

- **Crayons and/or Colored pencils**
 - They say the most organized when taken out of the box and put in a Ziploc bag
- **Glue Sticks**
- **Pencils (regular)**
 - If you would like to provide a **pack for class** supply that would be great!
- **Erasers (rectangular block erasers last longest)**
- **2 Dry erase markers** (large chisel tip) for student white boards
- **1 Composition notebook (marbled notebooks) for...**
 - Readers/Writer's notebook
 - Word Work notebook
- **3 Two-pocket folders: All different colors or designs for...**
 - Math Folder
 - Unfinished Folder
 - Storage Folder

Special Note

For 4th grade **binders** can **get a bit bulky**, I find that desks stay more organized if students keep their folders in their desks without a binder. However, if your child would prefer a binder, I suggest a 1½ binder, NOT a trapper keeper. Thanks ☺
